The first to implement an undergraduate-oriented pedagogy with law school-like content, Clarkson/Miller's market-leading "Business Law Text and Cases" 16e continues to set the standard for excellance. This latest edition includes updated content and features that highlight todays latest developments in business law with cases ranging from precedent-setting landmarks to the most important recent decisons. Throughout the text, the authors emphasis the role of ethics in law and provide a trusted framework for ethical decision-making. The accompying MindTap challenges your students to apply their knowledge of the law to today's real issues with critical thinking and case analysis assignments.
