The original Spider-Man trilogy, starring Tobey Maguire as the web-slinging hero, is swinging onto Pluto TV this October. Beginning Oct. 1, fans can stream "Spider-Man" (2002), "Spider-Man 2" (2004), and "Spider-Man 3" (2007) on the free platform. Directed by Sam Raimi and released by Sony Pictures, these films follow Peter Parker's journey as he battles villains and navigates his personal life.The trilogy started with "Spider-Man," where Maguire's Spider-Man origin story unfolds, introducing audiences to Norman Osborn/Green Goblin, played by Willem Dafoe. The film broke box office records, becoming the highest-grossing superhero film at the time of its release. The success paved the way for future superhero movies."Spider-Man 2," often regarded as one of the best superhero films, picked up two years after the first movie, showcasing Peter's struggles to balance his life as Spider-Man and an ordinary person. This installment was a major commercial and critical success, like its predecessor.The third and final film in the original trilogy, "Spider-Man 3," saw Peter facing off against multiple villains, including the Sandman, Venom, and Harry Osborn/New Goblin. Although it didn't receive as much praise as the previous two movies, "Spider-Man 3" was still a box office hit.A fourth Maguire-led Spider-Man movie was initially planned but ultimately scrapped due to creative differences. However, with the success of "Spider-Man: No Way Home," conversations about a new solo Spider-Man film have restarted. Reports suggest that both Maguire and Andrew Garfield may reprise their roles as Peter Parker/Spider-Man in the upcoming fourth installment.Sony and Marvel Studios are working quickly to bring the next Spider-Man movie into production, with director Destin Daniel Cretton at the helm. The original Spider-Man trilogy will be available on Pluto TV starting Oct. 1.After bein bitten by a genetically altered spider, a timid teenager acquires spider-like abilites that he utilizies to combat injustice as a masked superhero and confronts a vengeful enemy. The movie features Tobey Maguire as Spider-Man, Willem Dafoe as the Green Goblin, and Kirsten Dunst as Mary Jane Watson. It is availible to stream with a subscription for $9.99 per month, or with a free trial for 7 days, then $32.99 per month. The film has a run time of 121 minutes and is availible in multiple languages, including English, Turkish, German, Hungarian, Italian, Polish, Portuguese, Spanish, French, and Japanese. Unfortunately, the streaming service is not currently availible in all areas, but users can be notified when it becomes availible. As of April 21, the first three films starring Tobey Maguire, as well as The Amazing Spider-Man with Andrew Garfield, can be streamed. Additional titles including Spider-Man Homecoming and Venom will join them later this month.For those who want to watch Spider-Man without paying full price, there are a few options available. Verizon customers on certain plans may be able to get Disney+ Premium for free or at a discounted rate. For instance, those on the Total by Verizon prepaid unlimited plan can get six months of Disney+ Premium included in their monthly fee.Non-Verizon customers can also take advantage of deals offered by the Disney+ Bundle Duo Basic, which pairs Hulu with Disney+. This bundle offers nearly 40% off the regular monthly subscription fees. However, it requires watching ads.Disney+ is offering a bundle deal for its ad-supported plan and Hulu with ads, which costs $9.98 per month but it's actually cheaper if you sign up for Disney+ Basic (ad-supported) for a single month at $7.99 and cancel before the month is up. If you want to watch all of the Spider-Man movies on Disney+, you can do so after The Amazing Spider-Man 2, Spider-Man: Far From Home, Spider-Man: No Way Home, and Venom: Let There Be Carnage are added to the platform, which may happen later this year.
