Verizon tv guide channels

For myHome customers, including new and existing ones, this list provides the current Verizon Fios TV channel lineup. Please note that this applies only to the base monthly rate, excluding additional equipment charges, discounts, promotions, plan perks, or third-party services. Verizon Fios TV offers a range of channels and features, including high-quality videos. Channel lineups vary depending on the chosen plan. If you're unsure about available channels, you can use this list to find them easily. However, if you need more channels, you may want to consider switching to different TV providers like Xfinity or SiriusXM. Additionally, you can access on-demand content through the Fios TV app on various devices, including mobile devices, tablets, laptops, and Xbox One. If you're a Verizon FIOS customer and looking for specific channel numbers, this list is here to help. ****Channel Listings**** This list includes the channel numbers and corresponding channel names for various TV networks. ****HD Channels (High Definition)**** * 732: HDFXX191 * 691: HDFY1129 * 684: HDGolf Channel93 * 740: HDHallmark Drama * 739: HBCU GO * 628: History Channel en Español1561SD * 1622: HDHistory Channel128 * 665: HDIFC234 * 734: HDIndieplex348 * 848: HDCourt TV * 786: HDInvestigation Discovery123 * 623: HDI24NEWS610 * 687: HDMGM+395 * 895: HDMGM+ Hits896 ****SD Channels (Standard Definition)**** * 629: SDGame Show Network184 * 593: SGDGran Cine1683 * 740: SDHallmark Channel240 * 739: SDHBCU GO774 * 1622: SDHistory Channel128 * 1561: SDHistory Channel en Español * 279: SDHLN Headline News Network101 * 101: SDLMN141 ****Networks by Category**** ****News and Information****: MSNBC103, NBC Universo275, Newsmax116, CNN68 ****Sports****: NFL Network88, NHL Network87, NBA TV89 ****Music****: Music Choice1800-1849 ****Lifestyle****: HGTV165, DIY 1624HD, Great American Family743HD ****Movies and Entertainment****: Starz340/840HD, Showtime2369/869HD, The Movie Channel385/885HD Note: This is not an exhaustive list of all channels available, but rather a selection from the original text. **"Here's a detailed list of TV channels from across the US, including their respective frequencies, HD quality, and other additional information."** Or, broken down by category: *** Movie Channels**: + MTV + Ultra Cine + Ultra Clásico + Ultra Fiesta + Ultra Film + Ultra Luna *** Sports Channels**: + Fox Deportes + ESPN + beIN Sports + Big Ten Network + FOX Sports 1-3 *** Music Channels**: + VH1217/717 + BE TV127/697 + FX53/FX Movie Channel232/732 *** News Channels**: + Fox News + CNN + NBC News + Bloomberg + CNBC *** Lifestyle and Entertainment Channels**: + TLC + Three Angels Broadcasting + The Weather Channel + Discovery Channel + Discovery Family Channel + Disney Channel Note that this is a condensed version of the original text, and there are many more channels listed in the original document. The channel lineup includes over 100 channels across various categories. The major networks include ABC, CBS, NBC, FOX, and PBS. There are also several sports channels such as ESPN, NFL Network, NHL Network, and NBA TV. In terms of entertainment, there are channels like AMC, FX, HBO, Showtime, Starz, and Paramount+. These channels offer a range of programming including movies, dramas, comedies, and documentaries. There are also numerous niche channels catering to specific interests such as music (Music Choice), children's programming (Nick Jr. and Universal Kids), and lifestyle shows (HGTV and Food Network). Other channels include Smithsonian Channel, Travel Channel, and Science Channel, offering a mix of educational and informative content. There are also several international channels, including Spanish-language networks like Univision and CNN en Español. In addition to these channels, the lineup includes various HD and SD channels, as well as VOD (video-on-demand) options for select channels. The list contains channel numbers for various cable television channels, including their respective HD and SD designations. The channels are organized by category, such as Encore, Family, Suspense, Westerns, Kids & Family, and others. For example, Starz Encore has different channel numbers in HD/SD formats, ranging from 352 to 361. Similarly, HBO has multiple channels with corresponding number ranges, including 2402-2410 for its standard HD offerings. Other notable channels include: *** Cinemax**: 420-421 (HD) and 429 (SD) *** Showtime**: various channel numbers across different regions *** The Movie Channel**: 385-388 (HD/SD) *** Starz**: East, West, Edge, Cinema, Comedy (various HD/SD numbers) *** Flix**: 387-388 (Xtra) The list also includes additional channels such as beIN Sports, ESPN, and NFL RedZone, among others. Note that some channels require additional subscription plans or are subject to change in sales. Verizon's premium TV packages allow for discounts with each add-on, starting at \$15 per month for one package and \$8 per package for all five. International channels are available in various languages, with prices ranging from \$10 to \$35 monthly. New customers can receive free months of Sling Orange or Blue, Sling Latino, or Sling International. The Verizon Fios TV channel lineup features over 425 channels, depending on the chosen package. Channel 131 offers interactive learning and self-help tools. The service utilizes a fiber-optic network for faster speeds and higher bandwidth compared to traditional cable. Pricing varies based on packages and promotions selected. Local broadcast channels are typically included in Fios TV packages. Verizon Fios TV offers a wide and diverse range of channels, with over 425 options available. This includes premium channels like HBO and Showtime, as well as international channels in more than 20 languages. The service offers three main plans: Your Fios TV, More Fios TV, and The Most Fios TV. The "Your Fios TV" plan has 125+ channels and allows users to personalize their channel lineup by choosing their top 5 favorite channels. This plan costs \$85 per month. The "More Fios TV" plan has 300+ channels and includes popular and regional sports channels, as well as channels like Comedy Central and ESPN. This plan costs \$109 per month. The "The Most Fios TV" plan has over 425 channels and includes the best sports and movie channels. This plan also includes channels like Comedy Central and ESPN, and costs \$129 per month. There's also a "Fios TV Test Drive" option that allows users to explore all channels for 60 days before being recommended a personalized plan. This plan costs \$85 per month and includes one set-top box rental. Alternatively, Verizon Fios TV offers YouTube TV, which has 85+ channels and doesn't require any equipment rentals. This plan also offers unlimited DVR storage space and allows up to six individual accounts per family. This list appears to be a comprehensive channel guide, listing numerous television channels across various categories. It includes American Family Television, Hallmark Channel, HGTV, History Channel, and many more networks such as HBCU GO, IFC, Impact Network, Jewelry Television, and others. The channels are organized alphabetically or by category (e.g., news, sports, entertainment). The list includes a wide range of channels, including Spanish-language options like Hola TV and Sino TV, as well as international networks such as Starz and Sundance TV. Other categories include documentaries, reality TV, and movies. Some channels are available in both standard definition (SD) and high definition (HD), while others offer additional sub-channels or premium content through services like Showtime or Paramount+.
