BE A SPONSOR OF CEPIC 2026

WHY SHOULD YOU SPONSOR?

- With CEPIC participants consisting of Agencies' Leaders and Sales Representatives, as well as Footage and Production Music Suppliers, Industry Service Providers, Technology Specialists, Legal Professionals, and the creative minds that innovate the visual media licensing industry, all in one place.
- CEPIC 2026 provides the opportunity to generate leads and showcase your latest offers and developments thanks to participation in panel discussions and workshops, Lounge Areas for relaxed discussions and Speed Dating events, which are a great opportunity to meet and network.
- Conference Partners may propose and determine their own seminars and workshops
- CEPIC 2026 offers enhanced brand exposure: Logos appear on the main Sponsor Page, on the banner of the CEPIC website, in CEPIC's news-

letters and publications, and during the Event in all key areas of the CEPIC 2026 venue.

- Sponsorship Packages typically include a Table in the Table Area, which is the core of CEPIC 2026 as well as Pitch opportunities.

EMPLOYEE ENGAGEMENT.

- Sponsorship Packages typically include a number of free passes.
- Last, but definitely not least, a Sponsorship or a Partnership will be your way to show support to CEPIC's work in the realm of copyright in a fair digital ecosystem.

ABOUT CEPIC

CEPIC's purpose is to act as a united voice for the visual media industry in Europe and beyond.

- 1.** Protect the copyright of visual media creators and lobby for legal and regulatory protection to ensure rights are maintained and upheld.
- 2.** Ensure a functioning market for visual media licensing, and comparable and compatible trade regulations across territories to support this.
- 3.** Develop and champion ethical standards of activity across the visual media industry.
- 4.** Build and share knowledge among members to support growth and competition in the creative economy.
- 5.** Actively collaborate with and support organisations across the world with similar interests, to build a global exchange of information and a coherent voice.
