With 5 participating AM the coefficient in the vote is 0,04

TABLE of VOTING RIGHTS (= Participants list)

Votes will be per chat box. Lauren FOWLER records votes as they come.

The meeting lasts an hour.

MINUTES

From 10.00 – 10.45 H CET

Welcome and Introduction

- Opening remarks, review of meeting objectives, and confirmation of quorum for the CEPIC Extraordinary General Meeting

Speaker is Gilles DEVICQ

MEMBERSHIP

Gilles formally welcomes BVPA, who has joined as a full member following a unanimous vote by the membership. A discounted rate of 25% has been agreed for two years (Observer Status).

He regrets that SAB is now leaving CEPIC.

He presents CEPIC 2026 in Valencia. The choice of venue was based on the results of a survey, which showed a 50/50 split.

Where are we going as an industry? Where will AI lead us? The CEPIC event addresses these issues in a positive way.

There will be keynote speakers from outside the industry, who will bring an alternative perspective.

There will be a public conference on the last day, in collaboration with AFP and Trust My Content/Provenance for Trust.

Vote on new Membership Fees for 2026 (15:00')

- Presentation of Fees as discussed in the EGM of 13th October 2025

Vote of fees 2026

The speaker is Sylvie Fodor, representing Sergi Griñó, who has sent an apology.

The MF is now based on the number of employees.

The rationale is a change in the industry involving restructuring and consolidation.

These changes were discussed at the last extraordinary general meeting.

AKG Images has raised the question of whether the number of staff at all offices is consolidated. The answer is yes – offices are “federated”.

However, it is noted that AKG Images is listed separately in the presented budget.

Discussion and Vote on Budget 2026

- Review of draft budget 2026

The SAB Association is withdrawing because it is to be dissolved due to vanishing membership. Dissolution is expected to take place by mid-2026.

Philippe François proposes that SAB contact the remaining agencies in Switzerland so that they can become direct members, notably Keystone.

A meeting with SAB is envisaged at the beginning of 2026.

Potential participants to this meeting: Gilles Devicq, Philippe François and anyone else who wishes to participate.

- Vote on proposed budget

Following the presentation and discussion of the budget, Budget 2026 was voted on and passed unanimously.

Membership invoices will be issued in January 2026, based on the new membership fee table.

Closing and Next Steps / Open discussion

The meeting will end with a visit to the CEPIC website and the updated pages for the CEPIC 2026 event in May 2026, followed by a discussion about CEPIC 2026.

The meeting ends at 11 am CET.

Drafted SF (15/01/2026)

Documentation sent together with the Agenda of the Minutes and shared at the meeting:

- Minutes in English of Extraordinary General Meeting of 30.06.2025
