

Helping Kids Win the Battle Against Cancer

You Gave Hope. You Funded the Future.

Together, we raised more than \$300,000 to support children with cancer.

Dear Friend of Super Jake,

Thank you for attending and/or donating to Saturday's Super Jake Foundation Red Cape Gala. Because of your generosity, we raised more than \$300,000 for kids with cancer.

Your support means we now have the seed funding to begin two important research programs and continue supporting families in need.

Research Update

Thanks to this year's gala, we are able to support:

- A research program at the University of Wisconsin Children's Hospital focused on developing more effective therapies.
- A program at Lurie Children's Hospital that is studying the toxic effects of current treatments to make care easier for young patients.

These initiatives represent a major step forward in improving outcomes for children with neuroblastoma.

Supporting Families

Because of your generosity, we are also able to provide grants to deserving families like Ben and Leif, whose parents you met during the gala.

Your support makes a real difference for children fighting cancer.

Thank You to Our Sponsors

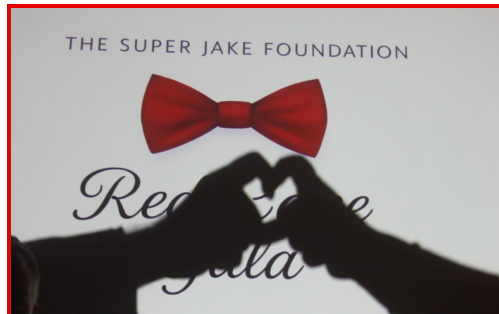

The Red Cape Gala would not have been possible without the generous support of our sponsors. Your commitment helps us fund vital research and support families facing pediatric cancer.

We are truly grateful for your partnership and support of the Super Jake Foundation.

Double Your Impact

If you donated or participated in the paddle raise, check with your employer about matching gift programs.
