ACCESSIBILITY FOR ALL

Introducing the ultimate accessible toilet for your care home, facility or private residence!

At Propel Industries, we are proud to present our newest accessible toilet option, meticulously designed to meet the unique needs of disabled users. We have incorporated a range of innovative features to ensure optimal accessibility, comfort, and durability.

Prioritise accessibility and inclusivity. Invest in our accessible toilet today and make a profound difference in the lives of your residents with the comfort, accessibility, and reliability they deserve. Contact us now to learn more!

Strong, robust and durable construction will guarantee that this toilet can withstand heavy daily use, making it a long-lasting investment.
