

FINALLY

Quick start guide

EVELLI

YOUR FINALLY LAMP

APP CONTROL

Search for **Evelli** in the App Store to download the app.

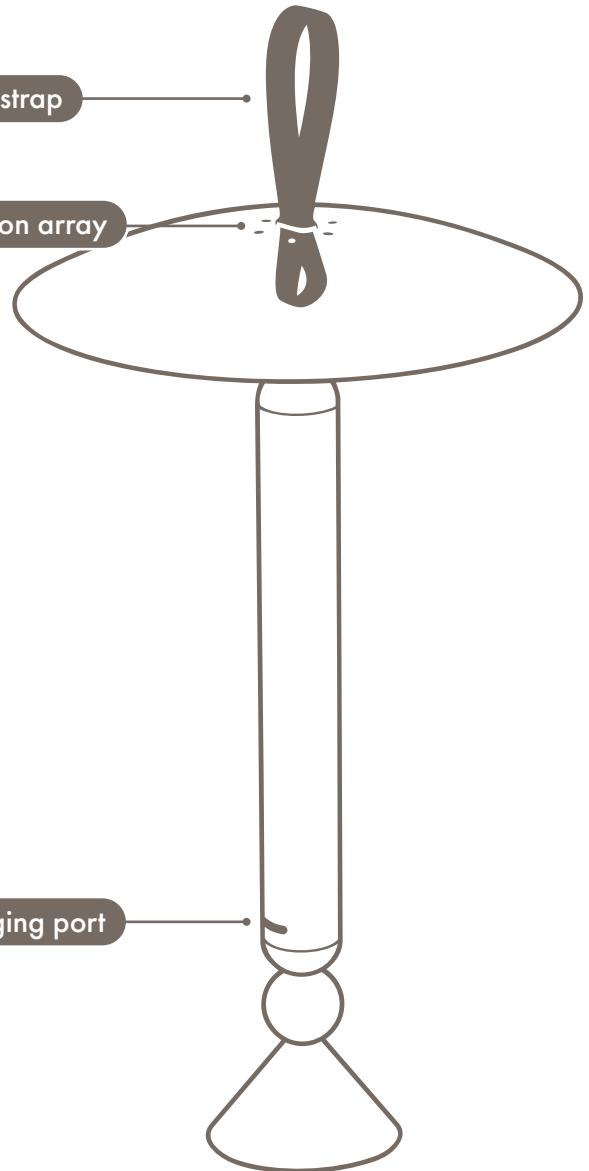

Turn the lamp on (page 3) and open the app near the device to pair. The lamp will automatically appear. Simply tap "Add" to connect.

Carrying strap

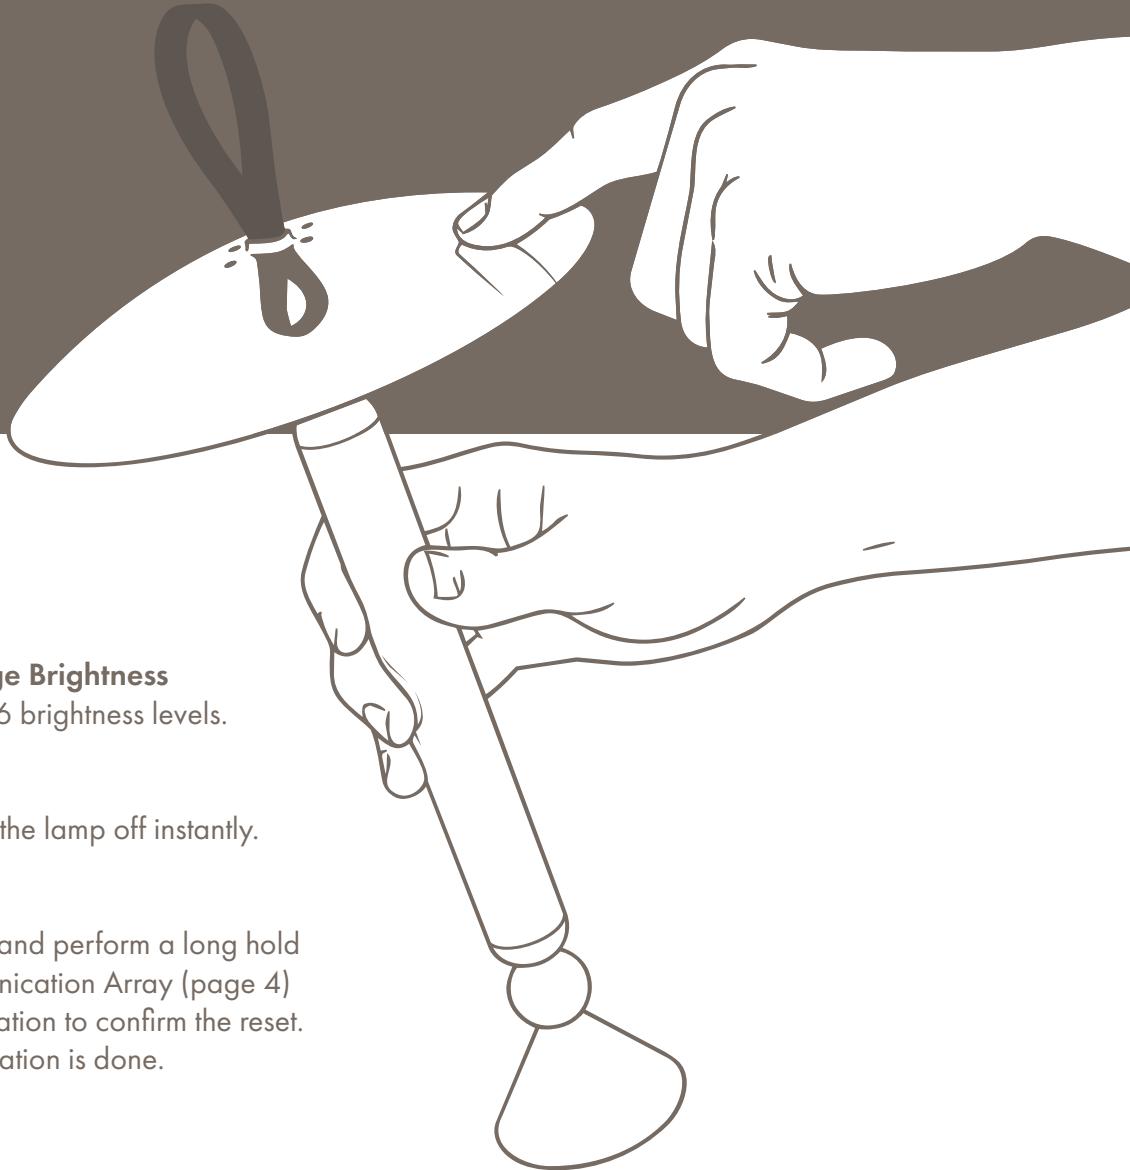

Communication array

USB-C Charging port

INTENTIONAL TOUCH CONTROL

To prevent accidental changes, the lamp features a Lift-To-Touch operation. Just pick the lamp up with one hand to activate the touch sensor and touch the screen with your other hand to use manual control.

Turn On and Change Brightness

Tap to cycle through 6 brightness levels.

Power Off:

Hold (1+ sec) to turn the lamp off instantly.

Hardware Reset:

Connect the charger and perform a long hold (5+ sec). The Communication Array (page 4) will play a blue animation to confirm the reset. Let go when the animation is done.

THE COMMUNICATION ARRAY

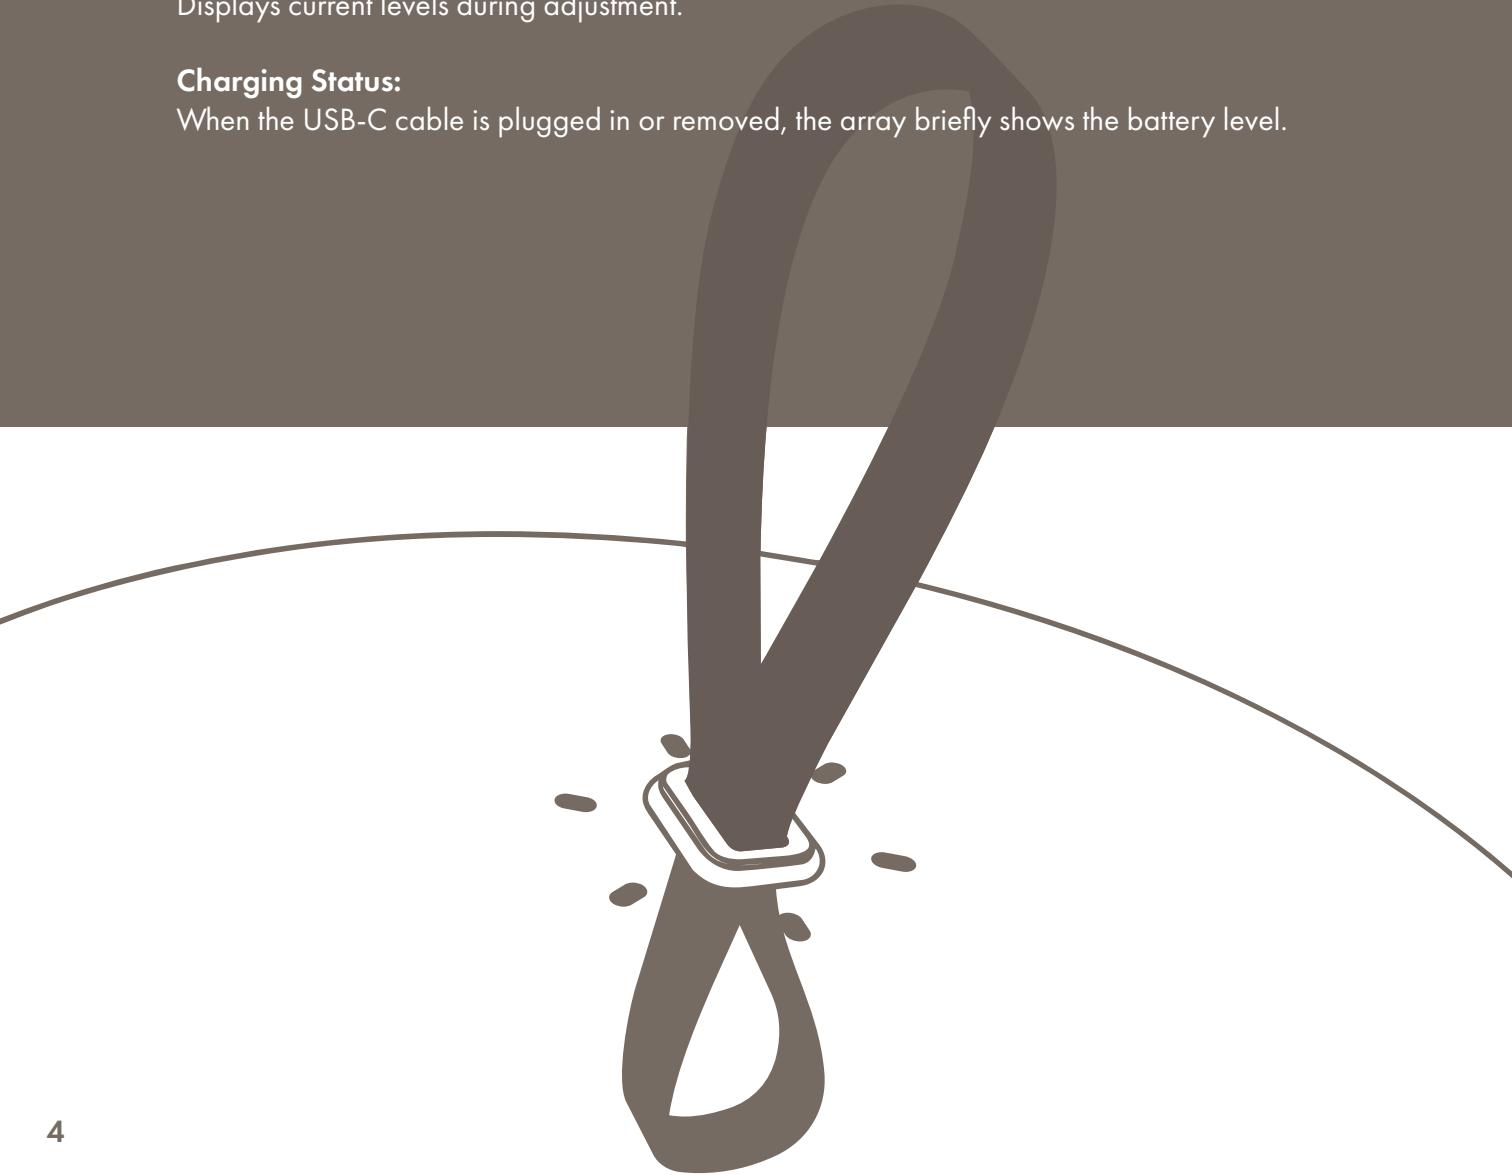

The top of the lamp features 6 indicators that provide visual feedback.

Brightness & Battery:

Displays current levels during adjustment.

Charging Status:

When the USB-C cable is plugged in or removed, the array briefly shows the battery level.

CHARGING & SAFETY

Universal Charging:

Works with any standard USB-C charger. Features built-in overcharge protection for safe, continuous 24/7 plugged-in use.

Indoor Use Only:

This lamp is not waterproof. Keep away from water, high humidity, and damp environments.

Maintenance:

Clean with a dry, soft cloth. Do not use cleaning agents.

LEGAL & COMPLIANCE

Battery Safety:

Contains a Lithium-ion battery. Do not expose to fire or extreme heat. Do not attempt to open the device.

Disposal:

Do not dispose of with household waste. Please recycle at your local electrical waste station. (WEEE)

Manufacturer:

Evelli AB, Sturegatan 44A, 11436 Stockholm, Sweden
