SUBJECT: World Cup 2026 is Almost Here! Here is What You Need to Know

Hi Team,

As you may know, this summer Seattle is hosting six FIFA World Cup 26 matches. We want to make sure everyone is prepared and feels confident going into this busy period.

- Match days w/start times: June 15 (12:00pm), June 19 (12:00pm), June 24 (12:00pm), June 26 (8:00pm), July 1 (1:00pm), July 6 (5:00pm)
- Impact: Pioneer Square becomes pedestrian-only 4 hours before each kickoff until roughly two hours after the match ends. No street parking is permitted within the stadium area on match days starting at 2 a.m. The heaviest road congestion is expected on June 15, 19–20, 24–28, and July 1 and 6. See general map of impacted areas attached for more information. Check King County Metro and WSDOT for any changes or updates.
- Best way to get downtown: Link Light Rail runs every 8 minutes until 1 a.m. on match days, and between the International District and Lynnwood stations, it'll run every 4 minutes. Free Match Day Shuttles run every 3–7 minutes along Third Ave. A Free Waterfront Shuttle will connect the Seattle Center, central waterfront, Pioneer Square, and Chinatown-International District. The shuttles operate every 15 minutes from 10 a.m. to 10 p.m. seven days a week.
- Our plan: [INSERT — e.g., regular hours / adjusted start times / remote options on match days / flexible scheduling available]
- Stay informed: Sign up for ALERT King County at kingcounty.gov/alert and AlertSeattle at seattle.gov/emergency-management.
- Safety: More local law enforcement officers and private security will be present at major transit stations, around the stadium area, and fan celebration areas. This is normal and expected. Follow your standard protocols for any incident.
