

## IADVL-KN ACTIVITIES

### DERMA ADVANCE 2025

An intensive exam-oriented CME for postgraduate dermatology students - was organized by the Department of Dermatology, Shri Dharmasthala Manjunatheshwara College of Medical Sciences and Hospital, Dharwad, in association with IADVL Karnataka, on June 14–15, 2025.

The organizing committee included Drs. Naveen K.N., S.B. Athanikar, Sweta R. Prabhu, Sowmyashree K., Shruti Kudari, Mayuri Sawant, and postgraduate students. The event was inaugurated by Dr. Niranjana Kumar, Hon. Vice Chancellor, and graced by distinguished dermatologists from across Karnataka. A total of 172 postgraduate students participated.

The program simulated real examination patterns with sessions on spotters, case discussions, dermatopathology, and instruments. Five major clinical cases covering vesiculobullous disorders, erythroderma, connective tissue diseases, leprosy, and STDs were presented. Sessions on exam preparation, orientation, and relaxation techniques were also conducted. The CME provided an enriching, hands-on learning experience, greatly benefiting students in their exam readiness.

## RESIMED SESSION

SESSION No.	DATE	TOPIC	SPEAKER
