INTERNAL INFORMATION:

Special Story of the Instrument:

I designed this guitar for jazz legend and sensational 10-time Grammy winner George Benson. He fell in love with my first "Baritone Princess" in the spring of 2010, and later that year I delivered a slightly modified Princess to him. The Scale is now a 24.75"; Fingerboard, pickup, bridge foot and trussrod cover are naturally finished maple. I also added a tone & a volume Pot. The "Benson-Tribute" is one of very few solid body guitars in Georges Benson's huge personal Guitar Collection.
