Name of the Instrument:

The Sapphire Velvet

Special Story of the Instrument:

Features: One of the main features of this Princess Isabella guitar is the special velvet that has a crocodile skin-like texture.

The "FLORA AURUM" inlay is made of solid 18k gold and contains 7 Brilliant Cut Sapphires.

For the pot knobs, I found a very exceptional pair of rare 8mm Sapphires! They have an unbelievable deep color – a dream for gemstone lovers!

The hardware has been finished in "Scratchy 18K Gold" to perfectly match the appearance of the entire instrument.
