“The Alcudia Bay”

The inspiration for this instrument I received during a dive with my family on the Mallorca Island.

We snorkeled in beautiful multicolor green / blue water and searched for golden colored sea shells on the ground.

I was lucky to find the perfect piece of wood for this instrument:
A beautiful multicolour Flamed Maple (Solid One Piece!)

The 24k Gold Dots in the fingerboard symbolize the sea shells we were looking for.

This Instrument is exclusively handcrafted
