About the instrument

The White Dragon is the last instrument of my "Dragon Brocade Fabric" Series. I made a BLACK DRAGON, the limited Edition of 25 BLUE DRAGONS, the RED DRAGON and finally the WHITE DRAGON.

The inlay on the WHITE DRAGON is made of solid 24k Gold. It's cut out of one solid piece of Gold. The Design is called FLORA AURUM. Which I also have used at the RED DRAGON.

I have over 6.5ct highest quality Rubies set in the 2 Pot knobs and in the inlay leafs.

The Surface is covered with an old white/golden Brocade fabric. I found it by accident a few years ago. While searching shelter of heavy rain in London/England, I entered a small store selling upholstery fabrics of highest quality and found all the DRAGON Brocades.

For the nut I have used certificated Mammoth Ivory.
