Name of the Instrument:	The Black R8-Acoustic
Special Story of the Instrument:	Some collectors go for variety. Others go all in on a vision. This client owns only all-black basses from us—each one a deliberate choice. Alongside models like the Seal and Roya, the R8 holds a special place in his collection. And now, with the addition of this acoustic version, his R8 family is complete: R8-Singlecut, R8-Concept, and R8-Acoustic. Three bold statements. One signature aesthetic. Pure black. Pure focus on sound.
