

Our Members, Our Focus®

The EIM IAC is available to respond to specific questions and assignments from EIM's Board and to reflect input to the Board from the EIM Member Risk Managers (you and your companies). The IAC meets quarterly.

The following is a summary of discussion items from the first quarter IAC meeting held on February 24, 2026:

- **Safety Focus:** A safety presentation emphasized residential fire prevention, encouraging regular smoke alarm testing, proper fire extinguisher maintenance, and practicing family escape plans to reduce fire-related fatalities.
- **Wildfire Premium Credit:** EIM announced a **one-time 10% wildfire premium credit** for eligible members renewing coverage between **May 1, 2026, and April 30, 2027**, reflecting favorable recent loss experience.
- **Event Improvement Opportunities:** Members provided constructive feedback to improve future meetings
- **Stronger Task Force Direction:** The committee will provide clearer guidance to task forces to focus on emerging risks and industry issues
- **Confidentiality Expectations:** As the IAC becomes more involved in strategic discussions, the organization may introduce formal confidentiality agreements to protect sensitive information.
- **Next Steps:** A task force roster will be shared with members to align expertise and encourage deeper participation before the next meeting.

The next IAC Meeting will be in person in June 2, 2026, in Tampa, FL.

Please let us know any input you may have and what you would like the IAC to evaluate for EIM Board and/or management consideration. It will be our pleasure to discuss and answer questions you may have regarding the activities of the IAC and EIM.
