

The EIM IAC is available to respond to specific questions and assignments from EIM's Board and to reflect input to the Board from the EIM Member Risk Managers (you and your companies). The IAC meets quarterly.

The following is a summary of discussion items from the second quarter IAC meeting held on June 2, 2026:

Discussions centered around the following items:

- **Evolving insurance solutions for emerging cyber risks**, including evaluation of new cyber war coverage structures designed to improve clarity, predictability, and member decision-making.
- **Preparing for AI and infrastructure transformation**, with increased focus on data center growth, grid reliability, and emerging utility risk exposures.
- **Member feedback shaping strategy**, using survey insights to improve alignment with member needs, communication, and overall value delivery.
- **Maintaining financial strength and flexibility** through disciplined financial management aligned with long-term strategic priorities.
- **Stable underwriting environment with disciplined growth**, supported by competitive market conditions and proactive engagement with members and brokers.
- **Expanded member outreach and engagement initiatives** focused on earlier communication, stronger partnerships, and improved renewal support.
- **Proactive response to evolving market challenges**, including AI impacts, energy market changes, and wildfire risk management initiatives.

The next IAC meeting is September 11, 2026.

Please share any input you may have or want the IAC to evaluate for EIM Board and/or management consideration. It will be our pleasure to discuss and answer questions you may have regarding the activities of the IAC and EIM.

Thank you for your continued support of EIM.
