

Deluxe

The Williams “DJ” Deluxe Junior Irrigator is a shorter armed version of the Spider Deluxe. This irrigator is specially designed for smaller sized farms with lower powered pumps (5.0-7.5hp). If at a later date a larger pump is installed, extensions can be bolted into the arms to convert your DJ to a Spider Deluxe. The DJ comes standard with 200m of 4mm Spider Web synthetic rope, with 250m or 300m options also available.

- ✓ Boom length 4.4 meters
- ✓ 6mm minimum application depth
- ✓ 4 travel speeds
- ✓ Even spread with new arm design
- ✓ Distribution uniformity of less than 1.25mm
- ✓ Stainless steel and galvanised cables available on request
- ✓ **NZ designed and manufactured**
- ✓ **Simple, built to last**
- ✓ **12 month manufacturer guarantee**

Williams Effluent Solutions

“We purchased our Deluxe Junior irrigator for our farm in 2021. At the time, our existing effluent pump pressure only allowed us to operate the DJ model. However, when we upgrade our pump, we can easily upgrade the DJ to a Deluxe model making it a win-win investment for the farm.”

-Trent Bonnar-Ashleigh Lodge Farms, Morrinsville
