ABOUT US

Hunts Engineering are a family owned, well established company in Warwickshire providing agricultural, ground care and garden machinery sales, service and spare parts. Peter and Julie Hunt brought together a team of people with huge experience within their specialist fields to offer excellent sales and service for all makes of equipment.

Our fully trained service technicians, Pete, Alastair, Alan and Nigel Graham and Mac, who between them have over 150 years of experience repairing machinery from the agricultural and ground care markets. Our sales team are also time served in the industry as well, with over 60 years' experience between them. For advice and service on your machinery requirements, we can draw on a depth of knowledge second to none.

We hand-pick our product range for reliability and performance and are competitively priced. Our goal is to offer a friendly welcome to our company and help you find exactly the right product for you. There's no click and collect, no buy it and put it together yourself – just good, old-fashioned SERVICE.

Customer Quote: "If you are looking for old fashioned service then I would highly recommend Hunts, great range of products, exceptional after sales, and friendly team. Oh, and just as competitive as any internet site."

SERVICING AND REPAIRS

We offer agricultural and garden machinery repairs and servicing for all equipment, large or small. Whether you need your push lawn mower repaired or your combine serviced, and anything in between, we have the specialist skills to offer prompt, efficient servicing or repairs to meet all your requirements.

We run a large workshop, fully equipped with specialist equipment to ensure accurate diagnostics and speedy repair times, run by qualified technicians and trainee apprentices. Our technicians are trained to a very high level and their experience spans 150+ years within the agricultural, garden care and garden machinery industry.

We can also offer prompt on site servicing.
