

SALES

At Hunt's Engineering, we offer an extensive selection of ATV's, UTV's RTV's and quad bikes sources from leading brands like Kubota, HiSun and Suzuki, along with a comprehensive range of accessories from trusted names such as Wessex and Logic. We understand that your quad bike or RTV needs to be a reliable workhorse, day in and day out.

PARTS AND SPARES

We offer a wide range of spares, parts and accessories for agriculture, groundcare and garden machinery products. We carry in stock fast-moving parts to support a wide range of products.

We have many popular spares and parts in stock, so there's no need to wait for you to get up and running again. Spares and parts not in stock can be ordered quickly for you. Our stock includes many Kubota, Suzuki, Cub Cadet, Briggs & Stratton, Honda, Wessex and Husqvarna products, among others.

EXCITING NEWS!

We are delighted to Announce that on 1ST March 2024, as well as being your trusted local Suzuki ATV, Hunt's Engineering also became HONDA ATV, Pioneer UTV and accessories dealer.

As well as sales, we can offer servicing and parts. We have taken delivery of our first batch of stock and we are ready to serve you.

Visit the showroom or phone 01608 638407 to speak to a member of our sales team to discuss your requirements.

Quality you can count on.

The Honda ATV and Pioneer UTV range is relied upon daily for an almost infinite variety of tasks, by all kinds of users. Like you, they demand complete reliability, unrivalled performance and a solid build. Which is why Honda offers a 2-year manufacturer's warranty* with all ATV and Pioneer UTV models as standard.

Whether you're using it for farming, gamekeeping, forestry or equestrian, your Honda will quickly become an essential part of your daily routine. You'll rely on it in all weathers, on

all terrain and for an amazingly wide range of jobs. So, a problem with your new ATV or Pioneer UTV is the last thing you'll want, but with Honda's reputation for reliability, it's also the last thing you'll expect.

Our fully trained technicians perform a full Pre-Delivery Inspection (PDI) on every machine, and we are fully equipped to keep it in peak condition.

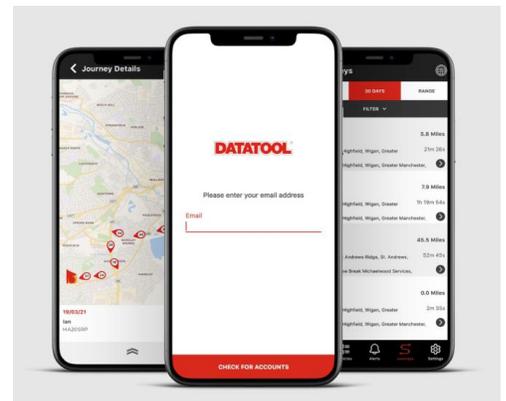

*Subject to following the service schedule, a 2-year warranty applies to domestic and commercial use. 3-month warranty for competitive and race use.

Complimentary Datatool GPS Tracker

Honda are including a Datatool Stealth with every new ATV and Pioneer UTV purchased. And because they understand you can't put a price on peace of mind, the only cost is a monthly subscription to activate the device of £9.95 per month, plus the £99 including VAT fitting fee.

How it works:

- Datatool Stealth, which is available for ATVs and Pioneer UTVs, activates automatically when your vehicle is stationary and monitors it for signs of unauthorized activity.
- If movement is detected Datatool Stealth will send you an SMS. If you confirm a theft is taking place, Datatool Stealth will enter alert mode and notify the dedicated 24/7/365 Vehicle Monitoring Team and the Police.
- Thanks to the instant notification of theft, recovery of the stolen item is far more likely than when a theft is reported several hours after the event.

Complimentary Easi Rider Training

Honda takes rider safety very seriously indeed. Which is why an EASI Rider Course is included with every new Honda ATV or UTV at no cost.

We will register you for your course. It's worth it as it can qualify in risk assessments for PUWER or HSE requirements. To ensure you get the most from your Honda safety, we would encourage you to take approved training. Information on basic and advanced training courses is available from EASI. Call 01273 494128 or visit www.quadsafety.org for more information.

We are still your Local Suzuki Quad Dealer

SERVICING AND REPAIRS

We offer agricultural and garden machinery repairs and servicing for all equipment, large or small. Whether you need your push lawn mower repaired or your combine serviced, and anything in between, we have the specialist skills to offer prompt, efficient servicing or repairs to meet all your requirements.

We run a large workshop, fully equipped with specialist equipment to ensure accurate diagnostics and speedy repair times, run by qualified technicians and trainee apprentices. Our technicians are trained to a very high level and their experience spans 150+ years within the agricultural, garden care and garden machinery industry.

We can also offer prompt on site servicing.

HIRE

We offer a range of forestry and garden machinery to hire. Call now or pop into our showroom to discuss your requirements.
