WELCOME TO OUR NEW STAFF MEMBERS

Jeanette has now left Hunt's Engineering to spend more time with her family. Paula is our new Finance Manager, and she will be sending out statements and will be the first point of contact if you have any queries about your account.

Hunts Engineering are proud that we are growing!

Lois has joined the Parts Department as our new Parts Assistant. She will be working alongside Dan, helping to keep the Parts flowing through the workshop and over the counter.

We will have a new Area Sales Manager and a new Sales Coordinator joining the Sales team later this month, as well as a new Engineer in the workshop.

YOUR GARDENING CALENDAR

✿ Now is the time for the last cut. Raise your blade height slightly the last few times so that the grass is strong enough for the winter and snow.

✿ Collect the leaves from the lawn and compost them or use them to protect sensitive plants. Leaving a thick carpet of leaves on the lawn can cause moss and mould. A leaf blower makes quick and easy work of this. Visit or call us for more information on leaf blowers and our latest offers.

WE HAVE A VARIETY OF PRE-OWNED STOCK:

Mowers
Allett Classic Libe
Wessex Flail Mower
Other Pre-Owned Stock
Husqvarna TF326 Petrol Tiller
Campey Rotoknife

*All prices are available on request

We update our new and pre-owned stock on a regular basis. If what you are looking for is not on this list, please get in touch.
