

FINAL REPORT – STUDENTS

Write a report about your project for the Bevica Foundation and the Universal Design Hub. Use the form below. Delete the explanatory text and write your own text instead. Your report must be 3–5 pages maximum.

Name	
Institution	
The title of your project	
Subject area	<i>Describe your overall subject area, for example, Universal Design and architecture, environment or technology.</i>
Problem statement / Research question	
Changes to the original project plan	<i>Did you change your original project plan? If yes, describe how.</i>
When and where did you carry out your investigation?	<i>Write out the dates, locations, and names from your project timeline. Describe who you met and where you went:</i> <i>The names of the places you visited, for example knowledge environments, institutions or workplaces</i> <i>The names of the experts you met, for example researchers or professionals</i>
How did you carry out your investigation?	<i>Describe what you did during your time abroad. Which activities did you carry out? Explain how you gathered and developed new knowledge. Use your project timeline as a reference.</i>

Findings (1-2 pages)	Describe your findings. Your answer must include: • How your activities have answered your problem statement • How your project has integrated and applied universal design • How your project has demonstrated inclusive approaches to people and explored universal design as a value-based design principle. • What new knowledge about universal design you have gained through your studies.
Impact and application (1-2 pages)	Describe how your project demonstrates new ways to create a more inclusive society for everyone in Denmark through universal design. Give examples of how your project makes a difference – for people, for society, and for your field .
Personal outcomes	Describe your personal outcomes from the Bevica Scholarship Programme: • List your three main experiences from receiving a Bevica Scholarship grant • Would you recommend the Bevica Scholarship Programme to others? If yes, explain why • If your studies have resulted in articles, publications, speaking opportunities, additional funding or other outputs, please attach them or include links
References	List the three most important references you would recommend future Bevica Scholars to read. Describe briefly why you recommend each one.
Appendices	Please attach your receipts as one PDF. We only need receipts for: • Insurance • Accommodation • Major travel expenses, such as plane or train tickets • Tuition or conference fees

Format Requirements:

Use the form above to write your final report. The form is A4, 1.5-line spacing, 10-point font, and 2.54 cm margins, and has page numbers.

- Use headings and/or bullet points to organize and convey key elements
- Save your file as a PDF

Note on copyright:

By submitting your final report, you give the Bevica Scholarship Programme the non-exclusive, perpetual right to reproduce the report or any part of the report, in any and all media at the Bevica Scholarship Programme's discretion. A "non-exclusive" right means you are not restricted from publishing your final report elsewhere if you use the following attribution that must appear in the new placement: "First submitted to and/or published by the Bevica Scholarship Programme (www.bevicafonden.dk) competition year 2027 (and if applicable) and winner of that year's First Scholarship prize." Finally, you warrant that the final report does not violate any intellectual property rights of others and that you will indemnify the Bevica Scholarship Programme against any costs, loss, or expense arising out of any violation of this warranty.
