Given the importance of history in UPSC exams, a detailed understanding of the subject is crucial. The latest UPSC syllabus guides the content of History books for UPSC Exam preparation, with NCERT textbooks being considered foundational. However, some candidates are opting for Tamil Nadu board textbooks due to their simplicity and comprehensive coverage of topics like freedom struggle and ancient Indian art. Class XII Textbooks offer insights into world history, including Imperialism and the Freedom Struggle, while Class XI Textbooks delve into Ancient and Medieval India's culture, religion, and architecture. The last chapter of Class IX Textbook on the Industrial Revolution is particularly useful. Notably, Tamil Nadu textbooks are more akin to old NCERT textbooks in their chronological approach, making them ideal for history beginners. They also cover Governors-General like Dalhousie and Hastings in detail, which is not found in new NCERT textbooks. These books can be freely downloaded from the official Tamil Nadu state education board website.
