

FAIR PLAY. REAL PAY.

WeR1 is the **next evolution in music streaming**, connecting people, amplifying your sound, and transforming how music is rewarded, for everyone.

Market Overview

11 million
Casual artists

\$32 billion
Global music streaming

130,000
Pro DJs

412 million
Electronic music fans

120,000
Tracks released daily

1,650
DJs earn above \$65k annually

Challenges

Revenue Inequality

Less than 1% of the artists receive a share of the music streaming revenues.

Experience Gap

Fans desire immersive, "re-live" experiences accessible anytime and anywhere.
