OUTSTANDING 6-STUDIO ROOM HMO

Licensed for 11 People

Langney Road, Eastbourne, BN21 3QE

Summary

An outstanding six-studio room HMO in Eastbourne town centre. The rooms are all fully occupied producing an annual rental income of approximately £67,000 with scope to increase. The property is extremely well maintained and decorated to an exceptionally high standard, having been completely renovated in 2017.

Location

The HMO is located in Langney Road, close to Eastbourne town centre and the seafront. Eastbourne has a population of more than 100,000 and contains a full range of shopping and leisure amenities. Recent census information shows the average age of residents decreasing as the town has attracted students, families and those commuting to London and Brighton. The town has good transport links with rail connections to London, Gatwick Airport, Brighton, Hastings and Ashford International. It is also served by the A22 road which gives access to the M25.

Accommodation

There are six studios – each with ensuite bath/shower rooms and individual kitchenettes. In addition, there is a communal kitchen, spare shower room, spare WC, housekeeping room, laundry room, cleaning storeroom (with water cylinder) and understairs store. Outside, there is a small, secure rear yard with cycle storage.

The refurbishment in 2017 included internal insulation to external walls and loft, a new boiler & plumbing, electrics, dual fire alarm system, acoustic insulation, long-life LVT flooring throughout and upgraded fire compartmentation. The entire property is in excellent condition with the current owner choosing to provide fortnightly housekeeping service.
