Corporate Presentation | Q4 2025

# Disclaimer

This presentation contains "forward-looking information" within the meaning of applicable Canadian securities legislation. Forward-looking information includes, but is not limited to, information with respect to SOL Global Investments Corp.'s future business operations, investment portfolio, capital allocation strategy, financial projections, market analysis, adequacy of financial resources, business plans and strategy. Generally, forward-looking information can be identified by the use of forward-looking terminology such as "plans", "expects" or "does not expect", "is expected", "budget", "scheduled", "estimates", "forecasts", "intends", "anticipates" or "does not anticipate", or "believes", or variations of such words and phrases or state that certain actions, events or results "may", "could", "would", "might" or "will be taken", "occur" or "be achieved".

Forward-looking information is subject to known and unknown risks, uncertainties and other factors that may cause the actual results, level of activity, performance or achievements of SOL Global Investments Corp. (the "Company"), to be materially different from those expressed or implied by such forward-looking information, including but not limited to: general business, economic, competitive, geopolitical and social uncertainties; market volatility; investment portfolio risks; regulatory risks; risks associated with international operations; cybersecurity risks; technological changes; and other risks inherent in the investment management industry.

Although the Company has attempted to identify important factors that could cause actual results to differ materially from those contained in forward-looking information, there may be other factors that cause results not to be as anticipated, estimated or intended. There can be no assurance that such information will prove to be accurate, as actual results and future events could differ materially from those anticipated in such statements. Accordingly, readers should not place undue reliance on forward-looking information. The Company does not undertake to update any forward-looking information, except in accordance with applicable securities laws.

This presentation is not a prospectus and does not constitute or form part of any offer or invitation to purchase, sell or subscribe for, or any solicitation of any such offer to purchase, sell or subscribe for, any securities in the Company nor shall this presentation or any part of it, or the fact of its distribution, form the basis of, or be relied on in connection with, any contract therefor. No reliance may be placed, for any purposes whatsoever, on the information contained in this presentation or on its completeness and this presentation should not be considered a recommendation by the Company or any other party in relation to any purchase of or subscription for securities of the Company.

No stock exchange, securities commission or other regulatory authority has approved or disapproved the information contained herein. This presentation does not constitute an offer to sell or the solicitation of an offer to buy any securities in any jurisdiction.-

# SOL Global Investments

SOL Global is one of the first publicly traded companies globally exclusively focused on digital assets. SOL Global aims to provide unprecedented public exposure to the Solana ecosystem through token acquisitions, staking for yield generation, and investments in early-stage protocols.

# Why Solana?

Solana is becoming the most important blockchain for builders.

With leading edge transactions per second and ultra low fees, the future of crypto is being built on Solana.

# Betting on the Solana Ecosystem

SOL Global has two distinct areas of focus:

1. Buying and staking Solana.
2. Investing in the most exciting projects being built in the Solana ecosystem.

# SOL Global Ventures

SOL Global Ventures is the venture capital arm of SOL Global and is taking equity ownership stakes in emerging new projects and protocols being built on Solana.

Our areas of interest include decentralized applications, real world assets, decentralized finance, payments and more.

# Our Vision

SOL Global is aiming to provide unprecedented access to the emerging Solana ecosystem through the traditional public markets.

We believe there are deep pools of capital that wants to participate in the upside of Solana through regulated markets in Canada, the USA and Europe.

# By The Numbers

SOL Global maintains a significant position in the Solana ecosystem through systematic acquisition and active network participation.

30,348

Total Solana Owned

(As of October, 2025)

6.7%

Current Staking Yield Rate

# Experienced Leadership

Our leadership combines institutional investment expertise with strategic vision in digital asset markets.

## Davide Marcotti

CEO

Mr. Davide Marcotti is a seasoned executive with over a decade of experience in strategy and digital transformation, advising top-tier financial institutions across Asia-Pacific and Europe. Mr. Marcotti holds a Master's degree in International Business Administration.

Mr. Marcotti has been actively involved in the crypto industry since 2017 and is a recognized leader in scaling digital asset and blockchain businesses. As the CEO of Swyke, an institutional-grade crypto infrastructure business securing over \$300 million in assets under staking, Mr. Marcotti successfully scaled operations and positioned the company as a trusted partner in the decentralized finance ecosystem.

## Pad Gopal

CFO

Mr. Gopal is a seasoned financial executive with over 18 years of experience in senior finance roles across a range of Canadian public companies and industries. He has been a key member of SOL Global's finance team for the past seven years, having joined the Company as Controller before advancing to Vice President of Finance. Throughout his tenure, Mr. Gopal has demonstrated strong leadership in financial reporting, regulatory compliance, and strategic planning. Mr. Gopal holds a Bachelor of Applied Business in Accounting and Finance and is a Certified Public Accountant (CPA).

## Deena Siblock

Vice-President and Director

Ms. Deena Siblock has distinguished herself as a leader in corporate governance, communications, and risk management, demonstrating exceptional commitment and passion throughout her career. She has served as Chief Operating Officer, Vice President, Corporate Development and Corporate Secretary as well as a member of the Steering Committee and the Nominating, Governance and Compensation Committee for various public and private companies.

## Jason Batista

Independent Director

Mr. Jason Batista is a highly experienced and commercially astute financial services professional with over 15 years of experience in banking and investment management, combined with corporate development, corporate communications, and commercial strategy. Certified Chartered Investment Manager; he is currently President of TBJ Consulting which provides a suite of services including corporate development, investment management, and investor relations. Mr. Batista will serve as a member of the Audit Committee.

## John Zorbas

Independent Director

Mr. Zorbas, an accomplished entrepreneur in metals exploration and investment banking, currently serves as CEO of Captor Capital Corp. since 2018 and URU Metals Ltd. since 2014. He was appointed Director of Zeb Nickel Corp. in 2021.

His extensive career includes leadership roles as President of MGM Productions Group Inc., Chairman of Management Resource Solutions PLC, and directorships at ZorCorp Capital Holdings and Stairline Capital Holdings Infrastructure Fund. Previously, he served as CEO and Director of Monchichi PLC and Director of Stratton Capital Corp. A founding shareholder of Asian Coast Development Ltd., Mr. Zorbas holds an Honors Bachelor's in Economics from the University of Toronto.

SOL Global Investments Corp. (CSE: SOL | OTCID: SOLCF) is pioneering institutional investment in the Solana ecosystem. As one of the first publicly-traded companies globally focused on Solana investment, SOL Global aims to provide unprecedented public exposure to the Solana blockchain through token acquisition, staking for yield generation, and investments in early stage ventures being built on Solana.
