This document contains forward-looking statements that reflect our current expectations, assumptions, and projections about future performance, financial results, market conditions, and other developments. These statements are based on management's beliefs and assumptions as of the date of this document and are subject to risks, uncertainties, and other factors that may cause actual results to differ materially from those expressed or implied.

Forward-looking statements may include, but are not limited to, financial forecasts, anticipated trends in revenue or expenses, plans for new product launches, market expansion, or operational initiatives. Examples of such statements include predictions about future economic conditions, customer demand, regulatory developments, and competitive dynamics.

We caution investors and other stakeholders not to place undue reliance on these statements, as they are inherently subject to change based on unforeseen events or changing circumstances. Factors that could impact our forward-looking statements include, but are not limited to, changes in market conditions, economic downturns, regulatory changes, supply chain disruptions, and competition.

We do not undertake any obligation to update forward-looking statements, except as required by applicable law. For a detailed discussion of the risks and uncertainties associated with our business, please refer to the "Risk Factors" section of our most recent financial filings.

# ***DISCLAIMER USA***

This document contains forward-looking statements within the meaning of the Private Securities Litigation Reform Act of 1995. These statements reflect our current expectations, estimates, and projections about future events, financial performance, business operations, and market trends. Forward-looking statements are based on our management's beliefs and assumptions as of the date of this document and are subject to risks and uncertainties that could cause actual results to differ materially from those anticipated.

Forward-looking statements may include, but are not limited to, discussions regarding our financial outlook, anticipated revenue or expense trends, strategic initiatives, market conditions, or operational plans. Words such as “anticipate,” “believe,” “estimate,” “expect,” “intend,” “plan,” “project,” “may,” “will,” “should,” and similar expressions are intended to identify such statements.

These statements involve known and unknown risks, uncertainties, and other factors, including but not limited to: changes in economic conditions, fluctuations in customer demand, competitive pressures, regulatory developments, supply chain disruptions, and unforeseen market dynamics. Actual results may differ materially from those projected in the forward-looking statements.

We caution investors and other stakeholders not to place undue reliance on these statements. Forward-looking statements speak only as of the date they are made, and we undertake no obligation to update or revise any forward-looking statements, whether as a result of new information, future events, or otherwise, except as required by law.

For a more detailed discussion of the risks and uncertainties that could affect our business and financial results, please refer to the “Risk Factors” section of our most recent filings with the U.S. Securities and Exchange Commission (SEC).

# ***DISCLAIMER AUSTRALIA***

This document contains forward-looking statements that reflect our current expectations, plans, projections, and assumptions about future business performance, financial results, and economic conditions. These statements are based on assumptions and beliefs made by management as of the date of this document and are inherently subject to significant risks, uncertainties, and other factors that may cause actual results to differ materially from those expressed or implied.

Forward-looking statements include, but are not limited to, expectations regarding revenue growth, expense management, strategic initiatives, market conditions, and operational performance. Such statements are typically identified by words such as “anticipate,” “believe,” “expect,” “estimate,” “forecast,” “intend,” “may,” “will,” “could,” “should,” or other similar terms.

These statements are not guarantees of future performance and are subject to known and unknown risks, uncertainties, and other factors outside of our control. Key risks include, but are not limited to, changes in economic conditions, market volatility, competitive pressures, regulatory developments, and unforeseen operational challenges.

We caution stakeholders not to place undue reliance on forward-looking statements. Except as required by applicable law, we undertake no obligation to update or revise these statements to reflect changes in circumstances, future events, or new information.

For further information on risks and uncertainties that may affect our business, please refer to our most recent financial statements and reports filed with the Australian Securities and Investments Commission (ASIC) or other relevant regulatory disclosures.
