- 7. CANCELLATION FOR CONVENIENCE.** We. may, for its own convenience and without charge, cancel any portion or all of this Order whenever We. elects. Any such termination shall be affected by delivery to the Vendor of a Notice of Termination specifying the extent to which performance of work under the agreement is terminated, and the date upon which termination becomes effective. If WE cancels any portion or all of this Order (other than as a result of default by Vendor), WE shall be responsible for the actual costs incurred by Vendor as a direct result of such cancellation which are not recoverable by either (i) the sale of goods or provision of the Services affected to other parties within a reasonable time, or (ii) the exercise by Vendor, in a commercially reasonable manner, of other mitigation measures. Any claim by Vendor for such actual costs shall be deemed waived by Vendor unless submitted in writing to We. within thirty (30) calendar days after We. notifies Vendor of the cancellation.
- 8. CANCELLATION FOR DEFAULT.** We. may cancel this Order, or any part thereof, without liability in the event (1) Vendor fails to deliver the Goods or perform the Services within the time specified in this Order, or Vendor so fails to make progress as to endanger performance of this Order in accordance with its terms, and in either of these two circumstances Vendor does not cure such failure within a period of ten (10) calendar days (or such longer period as We. may authorize in writing) after receipt of notice of such failure from We., (3) a petition in bankruptcy is filed by or against Vendor, or (4) a receiver is appointed for Vendor or Vendor makes an assignment for the benefit of creditors. In the event We. cancels this Order, in whole or in part, as provided in this paragraph 8, Vendor shall be liable to We. for any and all damages sustained by We. in connection with the default which gave rise to the cancellation. All warranties, both express and implied, shall be construed as conditions as well as promises. Said warranties together with all other warranties of Vendor, shall run in favor of We., its successors and assigns. Vendor shall execute and deliver to We. such additional instruments, and take such other actions, as We. may reasonably request to confirm, evidence or carry out the grants of rights contemplated by this Section 11. Vendor's obligations under this paragraph will apply both during and indefinitely after the term of Vendor's engagement under this Agreement. Vendor hereby appoints We. (and its duly authorized officers and agents) as Vendor's agent and attorney-in-fact, to act in Vendor's stead to execute and deliver any such additional instrument and take such other actions, with the same legal force and effect as if done by Vendor, should Vendor for any reason whatsoever fail to promptly execute or deliver any such instrument or take such other actions as described in the first sentence of this paragraph. Vendor acknowledges and agrees that this appointment constitutes a right coupled with an interest and is irrevocable.

Vendor will not be liable to We. for claims of infringement or violation based upon the sale or use of Goods manufactured according to designs furnished by We..

All information obtained by Vendor from We. (including, without limitation, confidential information of a third party) which is identified as confidential or proprietary by We. or is acquired by Vendor under circumstances reasonably considered to impose an obligation of confidentiality shall be received in confidence, shall remain the property of We., shall not be disclosed to a third party, and shall be used by Vendor only to the extent necessary for the performance of this Order. This obligation shall survive the termination or expiration of this agreement.
