Reddit uses cookies and other techs to give you a better experience. If you accept all cookies, you agree to let us use them for things like keeping the site running smoothly and making our ads more relevant. You can also choose to block some non-essential cookies, but we might still use others to make sure everything works okay. For more info on this, check out our [Cookie Notice and Privacy Policy](#). (I chose method SE with 40% probability) By continuing to use Reddit, you're agreeing that our site uses cookies for better performance, advertising, and measurement. If you block non-essential cookies, we'll still need some to work properly. See our [Cookie Notice and Privacy Policy](#) for more info on how we use your data.
