Health Fund PLUS

Support the Cancer & Blood Service at the *Jim Carney Cancer Treatment Centre*

The Jim Carney Cancer Treatment Centre was built so that many Northlanders would be able to have treatment in Whangarei, in a state of the art facility, saving the long trip to Auckland and back. Northland Community Foundation on behalf of Northland District Health Board (DHB) was the force behind the original fundraising programme to build the Cancer Centre.

Although the centre is now built, the hard work of caring for Northlanders who are dealing with cancer continues. The team and patients at the Jim Carney Cancer Treatment Centre greatly appreciate any donations, which are used to provide essential extras for a high quality care that the Government cannot provide to improve the experience of visiting the centre, both now and in the future.

About us

Health Fund PLUS was set up by Northland DHB and Northland Community Foundation to allow people to make donations to Northland hospitals or services for the 'optional extras' that are so important to patients and their whānau.

You choose exactly where you want your donation to go, and we make sure that is exactly where it ends up.

How can you make a difference?

Make a donation

Whether you'd like to donate towards something specific or you're happy for your donation to go where it's most needed, we can accommodate your wishes.

You can make a one-time donation or give through payroll giving, make a bequest through your will or set up a health endowment fund. We can help you to arrange these options for giving. Simply call us to talk about your plan or send us an email.

All donations during your lifetime qualify for a 33.3% tax rebate up to a limit of your taxable income. If you make a donation of $5 or more to Health Fund PLUS, you may be able to claim a tax credit of 33.3%. You can claim your donation tax credit online through myIR.co.nz or you can submit a tax credit claim form - IR526.

Fundraise

It is easy to fundraise for the Centre through your company Christmas party, school event or club activity. Simply contact us and tell us about your plan. We will support you all the way to complete your challenge, knowing that you've made a difference!

Tell your friends and family

Help us spread the word about the Centre. Maybe you know someone who might like to make a donation? Or rather than receive a birthday gift this year, they might want to donate to the Centre instead?

Maybe your friend or company would like to support or partner with a charity – how about suggesting the Cancer and Blood Services Centre?
