How We Can Help

We help ordinary people make an extraordinary difference for Northland by raising funds from donations and legacies

We grow these funds through our careful investment policy, retaining the capital and generating income

We use the income from the investments to make grants to the local organisations and charities you choose

Northland Sport Fund

We help ordinary people make an extraordinary difference in Northland

What is the Northland Sport Fund?

👉 In 2016, Sport Northland and the Northland Community Foundation (NCF) established the Northland Sport Fund.

👉 Since the establishment of the Northland Sport Fund, NCF and Sport Northland have been instrumental in growing the fund to the current level of over a quarter of a million dollars.

👉 The distributions of the Kauri Club Fund (a fund under the umbrella of the Northland Sports Fund) has supported the operation of the Kauri Club, which provides talent development support, grants and scholarships to promising young Northland sports people to better prepare them to reach the top of their chosen sports.

👉 Both Sport Northland and NCF encourage all Northlanders who love active recreation and sport to consider leaving a gift or bequest to the Northland Sport Fund. You can donate your funds, or leave a gift through your Will (bequest), directly to the Kauri Club Fund for the benefit of talented young Northland athletes, or you can create your own 'named fund' under the Northland Sports Fund umbrella, and leave the donation/ bequest to your own personal nominated sport or active recreation cause.

Bailey Edwards

2024 Scholarship Recipient (rugby and rugby league)

Bailey was named one of seven players in the Global Youth 7's Tournament Team at Global Youth 7s' in the Gold Coast. She was also selected for the NZ U18 Māori Women's Rugby team, NZ U18 Māori League team and Northland Women's Kauri team (however was unable to play due to injury). She played in her first season of Open women's rugby for Hora Hora who won the Northland competition for 2024.

Bailey said "The Kauri Club Scholarship has allowed me to stay and pursue my career in Northland (rather than having to move to Auckland). The financial support has enabled me to purchase new rugby boots, running shoes and has enabled the development of my physical/mental strength with gym and personal programming and physio. The support has also eased the financial pressure on my family by assisting with the payment of fees and travel costs".
