The Jim Carney Cancer Treatment Centre

The Jim Carney Cancer Treatment Centre was built so that many Northlanders would be able to have treatment in Whangarei, in a state of the art facility, saving the long trip to Auckland and back. Northland Community Foundation on behalf of Northland District Health Board (DHB) was the force behind the original fundraising programme to build the Cancer Centre.

Although the centre is now built, the hard work of caring for Northlanders who are dealing with cancer continues. The team and patients at the Jim Carney Cancer Treatment Centre greatly appreciate donations towards leaves for the Pohutukawa Tree, which are used to provide essential extras for a high quality care that the Government cannot provide to improve the experience of visiting the centre, both now and in the future.

How can you make a difference?

Make a donation

Whether you'd like to donate towards something specific or you're happy for your donation to go where it's most needed, we can accommodate your wishes. You can make a one-time donation or give through payroll giving, make a bequest through your will or set up a health endowment fund. We can help you to arrange these options for giving. Simply call us to talk about your plan or email us at info@northlandcommunityfoundation.org.nz

Fundraise for us

Are you up for a challenge and looking to make a difference? It is easy to fundraise for the Centre through your company Christmas party, school event or club activity. Simply contact us and tell us about your plan. We will support you all the way to complete your challenge, knowing that you've made a difference!

Tell your friends and family about us

Help us spread the word about what we are doing. Maybe you know someone who might like to make a donation? Or rather than receive a birthday gift this year, they might want to donate to the Centre instead? Maybe your friend or company would like to support or partner with a charity – how about suggesting the Cancer and Blood Services Centre?

Please get in touch and have a chat with us.

You can call us on 021 558 224 or 0204 139 8518 or email info@northlandcommunityfoundation.org.nz
