Who we are

Building relationships. Crafting excellence with integrity.

At SKAV, the passion to create inspiring spaces drives all our endeavours. Endeavours that translate into homes that personify gracious living, offices in which you would love to work, and retail spaces that exemplify shopping experiences.

Our uncompromising commitment to quality is not just limited to designing and creating great spaces. Be it luxury homes that resonate with your lifestyle or the attention to smaller details in office and retail spaces, at SKAV, the focus is on the overall experience. We have carved a niche for ourselves in the space of construction service through a perfect combination of innovative and ethical practices.

Above all, a unified vision amongst the promoters of SKAV and the years of experience we bring to the table in this ever-evolving field, will work to your advantage.

While we know that we are all about building exquisite living and commercial spaces, deep inside, we firmly believe that we are in the business of building long-term relationships.
