

FRED ALLARD

PRELUDE

Fred Allard and the Hotel du Cap-Eden-Roc: two names, two signatures, two distinct ways of defining an aesthetic.

One sculpts moments, the other has witnessed them for over a century.

This collaboration was born from mutual respect and a shared desire to capture what cannot be captured: attitude, elegance, and the perfect detail.

Through a series of exclusive works, Fred Allard offers his vision and creative touch. He seizes objects, materials, and colors — reinterpreting a legend without freezing it, but making it resonate in a new way.

The aim? To offer visitors a deeply sensory experience: an artistic perspective on the hotel, a shared emotion, a memory to contemplate, to covet... or to take home.

A way to extend the connection for those who return, year after year.

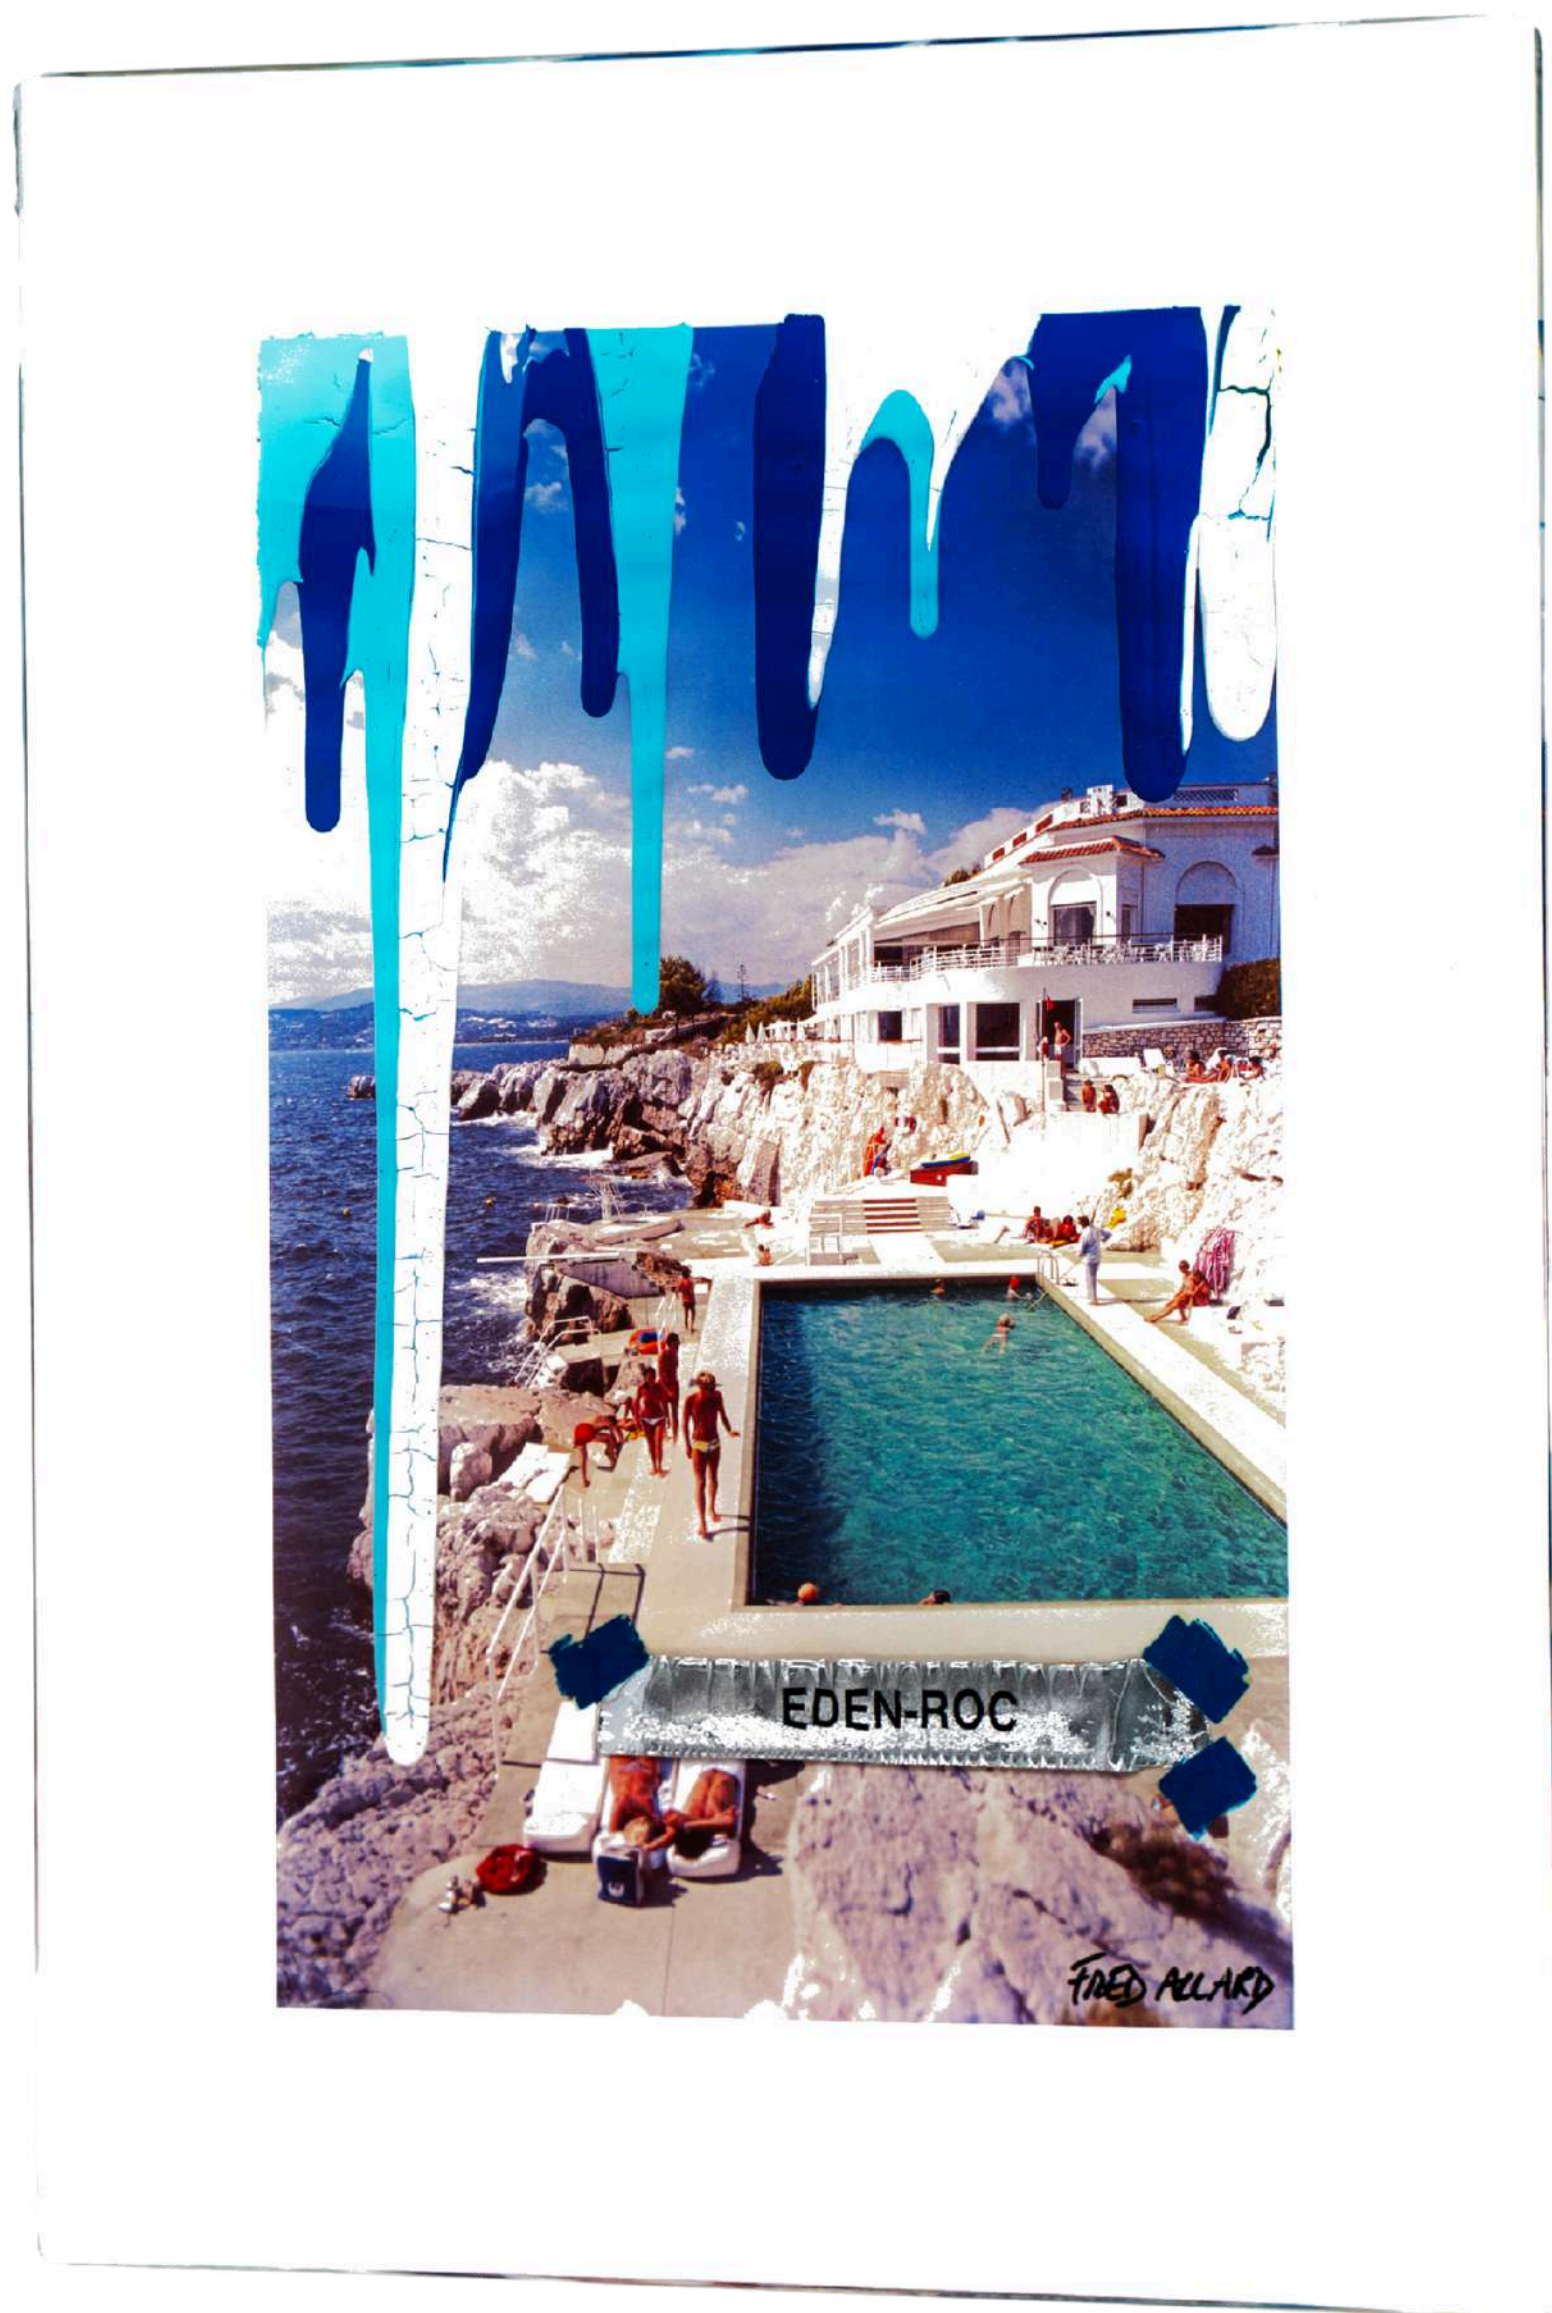

A trace of intimacy, loyalty, and that rare feeling: of feeling at home in an exceptional place.
