Questions for Reflection & Discussion

1. Jesus said, “The harvest is plentiful, but the workers are few.” How might believing that *God has already prepared hearts* change the way you see your neighborhood, workplace, or friendships?
2. Think of a time when being with another believer opened a door for spiritual conversation. Who could you intentionally partner with to pray for or reach out to someone in your circle?
3. “People of Peace are those who don’t yet know Jesus but are open to a relationship with you.” Who in your life fits that description? What is one simple step you could take this week to build a stronger, more authentic friendship with them?
4. Jesus told His followers to “stay there... eating and drinking whatever they give you.” Why do you think *staying*—investing time and consistency—matters in helping others experience the gospel? How can you slow down enough to really “stay” in people’s lives?
5. “When the seventy-two returned, they were filled with joy.” How might your own sense of joy in following Jesus become one of the most powerful witnesses to others?
