1. Re-read Philippians 2:1-11. What did the Spirit of God say to you through our study of this passage?
2. Take the time to slowly read the following passages: Romans 8:29; 2 Corinthians 3:18; Galatians 4:19; 1 Peter 2:21; 1 John 2:6. Is WWJD a valid question to ask in everyday life? Why or why not?
3. Trace the path of Christ's descent in Philippians 2:6-8. How do these verses challenge you as you seek to adopt the mind of Christ?
4. Who do you have the hardest time looking up to? Why? How does your "vain conceit" (Philippians 2:3) affect your relationship with them?
5. With whom are you experiencing disharmony right now? How might your obedience to Philippians 2:3-4 transform your relationship with that person?
