Infinite mosaics

Dreams are unlimited, sometimes eternal, but with Ezarri they are achievable. The size of our “Infinite Mosaic” is bigger, to make your illusion grow, to create projects to your measure, projects that start with a 50mm piece. Mosaics that form big dreams, mosaics 4 times bigger than our conventional 25mm pieces. Available in most of our collections.

JointPoint®

**A small uniform
point rigorously
controlled**

50mm mosaic

"It's not (only) the technology. It's defining the exact point."

Pioneers in a unique, revolutionary and technologically advanced system since 1995. Developed by Ezari, JointPoint® provides easy, uniform installation of mosaic tile on any surface.
