

## Product Description

Bring timeless elegance to your space with Aria Limestone — a natural stone in a warm grey tone, subtly accented by soft, light veining. Its refined yet organic look makes it a versatile choice for both indoor and outdoor applications. Whether you're styling a contemporary living space, a serene bathroom, or a pool area, Aria adds understated luxury and natural charm. Durable, stylish, and effortlessly classic.

PDSFS5023	ARIA	LIMESTONE	COBBLES LOOSE	20×5×3CM	SANDBRUSHED	TUMBLED

## Test Analysis

TEST	RESULT
WATER ABSORPTION	0.65%
SLIP RESISTANCE MEAN (WET CONDITION)	P4
SLIP RESISTANCE MEAN (DRY CONDITION)	P5

Europe Imports stone products are researched at length to ensure only the highest of quality stone is produced and distributed. All our stone selections are of the highest density and formats are produced with only a +/- 1mm tolerance. We work incredibly closely with our quarries and suppliers in the block selection process and have quality assurances in place throughout the process.

Sealing natural stone is essential in ensuring the longevity of the product. Europe Imports recommend the Chemforce Fortifier Plus for pool coping that will be affected by salt water. This is a penetrating consolidator plus permanent water repellent and protects the stone against salt spalling. For all other areas we recommend the Chemforce Stain-Protector premium impregnating sealer.
