ACRES EMERGENCY SCHOOL CLOSING – 2025-2026

If school should be closed early, the following procedure will be followed:

1. We will contact you via mass text program. Please indicate below which cell number(s) we can text.
2. The bus driver will drop off children at their usual stop unless it is not safe to do so when:
 - a. There may be no one at the stop to pick up the children.
 - b. No one appears to be home, or the house is not visible from the road.
 - c. If it does not appear to be safe, the driver will drop off your children at the next safe drop-off spot along your route. Your child(ren) will call home from there to inform you that they are safe.

Unless we receive other instructions from you in writing, we will follow this procedure.
