Hi Ryan,

I hope you're having a great start to the New Year! I'd like to introduce you to a new software product we represent on our platform (Cubbie.com) -- ClearPoint.

In a nutshell, their AI product gives organizations a clear view of their strategic performance, eliminating the chaos of spreadsheets and scattered Excel reports.

I invite you to take a look:

P.S. If you end up checking it out, reply here and we'll email you a \$75 Starbuck gift card.
