

Dear San Jose Episcopal Day School Families and Community Business Leaders,

San Jose Episcopal Day School's achievements over the past year were made possible in no small part by the generosity of our 2024–2025 Business Partners. Their support enabled us to modernize campus facilities, enrich academic and co-curricular programs, integrate advanced technology, strengthen safety measures, and provide ongoing professional development for our distinguished faculty.

Building on this momentum, we are pleased to introduce the 2025–2026 Business Partners Program, which offers an expanded array of recognition opportunities for participating organizations.

Throughout the year, your business will be highlighted in school communications, on-campus signage, and at signature events, encouraging our families to support the organizations that invest in our students. A detailed schedule of recognition levels and benefits is provided on the reverse side of this letter.

As with most independent schools, tuition covers only a portion of the actual cost of educating each student. Contributions from our Business Partners ensure that we can preserve an exceptional learning environment while keeping tuition accessible. Participation in the Business Partners Program also fulfills your family's Annual Fund commitment. All gifts are tax-deductible to the extent permitted by law, and associate your brand with a community devoted to educational excellence.

If you or your employer are part of a business that may be interested in supporting the mission of San Jose Episcopal Day School, we invite you to explore the opportunities outlined in the enclosed materials. Should you have any questions or wish to discuss potential involvement, please feel free to contact the Front Office. We would be grateful for the opportunity to partner with you.

We are happy to discuss partnership tiers, customized benefits, or flexible payment arrangements at your convenience. Thank you for considering this mutually beneficial opportunity to support San Jose Episcopal Day School.

Warm regards,

The Development Team
San Jose Episcopal Day School
