

2026 PROGRAMME

MAP

Welcome to the Community BioBlitz Festival!

We are hoping to capture as much wildlife data as possible within 24 hours. Make sure you record your observations via iNaturalist and use our BioBlitz Battle app to check your scores!

To take part:

Download iNaturalist and make an account

Join the game on the BioBlitz Battle App

ARRIVAL:
Please check-in at Porthpean Outdoor Centre on arrival

Porthpean Beach

View the interactive event map here:

Porthpean Outdoor is our main event base. We will hold some activities at Porthpean Beach. A footpath, marked in red, runs between the site and the beach.

Cornwall Wildlife Trust

Marine Biological Association

ABOUT US

The Rock Pool Project is a nationwide not-for-profit connecting people with our incredible marine wildlife through education, citizen science and community action.

We'll soon be launching a Crowdfunder campaign, please consider donating and supporting our work!
