

AUX

M-SERIES

Smart Control

Easily control with AUX App
to come home to a cool home!

Key Features

- WiFi Control
- I-Feel
- Energy Saving
- Soft Airflow
- Backlit LED
- i-Clean

AUX's Mini-Split air conditioning systems provide comfortable, efficient cooling.

WiFi Control

Easily control via the AUX app so you always come home to a cool home.

Energy Saving

ENERGY STAR certified to save you money. DC Inverter adjusts frequency according to the temperature difference to save energy.

Backlit LED

Easily view temperature readings and error codes on the elegant backlit white LED display, or turn off the backlight for a clean, minimalist look when desired.

I-Feel

The remote control is equipped with a temperature sensor that can obtain the temperature around the user and adjust it accordingly.

Soft Air Flow

Thousands of microvents produce gentle airflow while preventing drafts for ultimate comfort. Perfect to use while sleeping.

i-Clean

Thoroughly clean indoor and outdoor units with new, 6-step automatic wash function that helps maintain optimal performance.

Comfort Guaranteed
