

PRICING & SPECIFICATION GUIDE

EFFECTIVE 1/19/26, VERSION 1.0

2026 Notable Changes:

New price list format using base prices and upcharges for higher fabric grades;
(COM) Customer's Own Material price is Category 4;
Options Glossary page in the back of the price list.

Alpha Sophisticated ergonomics, classic Italian design.

Page 4

Amici High style and higher value.

Page 8

AutoSit. Heavily ergonomic seating in a slender contemporary design.

Page 12

Beta Versatility and value in professional quality ergonomic seating.

Page 16

Boss & BigBoss Task Full scale ergonomic seating.

Page 20

Coolean Sit, straddle or lean.

Page 24

Forma The pinnacle of comfort.

Page 26

Libre Stay active and energized.

Page 34

GoodFit® The world's most comprehensive seating system.

Page 30

GoodFit® XL

Page 34

Posh Conference room and managerial.

Page 40

Posh Ergo Executive Executive ergonomic seating.

Page 42

Posh Mesh Premier support and breathability.

Page 44

Posh Operational Elegantly tailored, highly ergonomic.

Page 46

ESD / Cleanroom Electrostatic Dissipative & Cleanroom.

Page 50

Pogo® + Footsie® Stay active and energized.

Page 52

Easy Clean, modern versatility.

Page 54

Jack An amazingly comfortable chair.

Page 56

Jill Beautifully sensible nesting chairs.

Page 58

Fixed & Public Area Seating Auditorium, public area and classroom seating solutions.

Page 60

Series	Function
Tuxedo	Fixed Seating
Architecturally specified auditorium seating from the ground up. Tuxedo was designed with those that design in mind. At its heart, Tuxedo isn't a chair, it's a seating design platform.

Warranty

Sitmatic product is covered by a comprehensive lifetime structural warranty with a ten (10) year warranty on wear components. There are no weight restrictions and 24-hour usage is covered. For complete details, please contact your Sitmatic representative.

Freight Included

Freight is prepaid, dock-to-dock, for orders over \$250 net, meaning this price list includes shipping charges from the factory to a commercial dock that is accessible and can accommodate a full-sized, 18-wheel commercial vehicle. The product is cartoned and a few models are partially unassembled. This price list does not include guaranteed delivery times, residential delivery, delivery to a building without a dock, inside delivery, blanket-wrap shipments, storage, prior notification, expedited shipping, or destinations outside of the continental United States.

Orders shipping to restricted access facilities (i.e., military bases, hospitals, school campuses, churches, storage facilities, etc.) must be identified and have clear instructions of the special requirements to gain access.

For any of these services, please contact Customer Service for a price quote.

Freight claims, unfortunately, must be the responsibility of the recipients, although Sitmatic will assist in any way possible.

COM

Customer's Own Material

Yardage listed in this price list is based on a worst case scenario: non-railroaded fabrics and small quantities of chairs. If your fabric can be railroaded or you are ordering a large quantity, please contact Customer Service for actual yardage requirements, which may be less than the published amount. We will always make our best effort to pattern match at seams, but pattern matching results are not guaranteed. Generally, commercial quality fabrics require no prior approval. We recommend latex-backed fabrics of man-made fibers, 9 oz. per running yard or better. If the fabric you choose to send us is not of this quality, please discuss

the fabric and its use with Customer Service before sending us the fabric.

Return Policy

Because Sitmatic's product is custom manufactured to meet exact customer requirements, we ask that you take care in specifying. In the event that you need to return chairs, normally up to 45% is charged if ordered in error by the customer. If in Sitmatic's judgement, the product is in new condition and readily resalable, the restocking fee may be waived or reduced. Contact Customer Service for specific item information. Some products particularly custom engineered items that are individual specific, cannot be returned.

Cancellation Charge

No cancellation charges will be assessed if the customer cancels prior to production. Commencement of production constitutes Sitmatic's procurement of order specific components or actual construction or the seating, whichever is earlier. Usually, but not necessarily, this is

one week before shipment. After production begins, actual and reasonable costs will be charged. All cancellation charges will be billed within six months after notification of cancellation.

Public Area Seating

Information regarding this product is covered in the comprehensive specification manual entitled "Fixed Seating & Tables: Pricing & Specification Guide." Contact Customer Service for your copy.
