- **Tier Bonus Program.** In order to receive the Bonus a member must perform 2 actions: make a minimum deposit via authorized payment methods and trade a minimum limit of lots. Depending on the fulfilled limits, participants will receive bonuses according to the achieved Level as follows:
 1. **First Level:** Deposit \$100 and trade 2 lots - Bonus \$10
 2. **Second Level:** Deposit \$500 and trade 10 lots - Bonus \$50
 3. **Third Level:** Deposit \$10,000 and trade 1,000 lots - Bonus \$500

- **Calculation of Deposits:** Only direct deposits made by the participant through authorized payment methods will be considered. Deposits made in currencies other than USD will be converted to USD at the internal exchange rate of FBS.
- **Definition of a Lot:** A lot refers to the trading volume measure used in trading on MT4/MT5/FBS APP. Only trades involving currency pairs, cryptocurrencies, metals, and the indices US30 and US100 count towards lot calculations. For cent accounts, lots are divided by 100. In case of partial or complete closure of hedged transactions with each other, the volume is calculated as half of the total volume of both transactions. For example: a position of 1 lot buy and 1 lot sell is open, when fully closed with a hedged transaction (close by), the volume will be counted as 1 lot.
- **Accessibility.** The opportunity to make a deposit as well as trade lots to participate in the Promo will be available to Participants on any available FBS platform. The available accumulated Bonus amount will be visible only in the Trader's Area Web interface.
- **Bonus Distribution:** Bonuses are credited within 24 hours of achieving the specified levels. After the 30-day period, levels are no longer calculated, and no further bonuses are distributed.
- **Withdrawal:** The bonus should not be recognized as a cash reward and is credited as an internal deposit to the winner's trading account. Bonuses awarded under this Promo are immediately withdrawable and do not need to be traded before withdrawal. Further, the winner can dispose of this bonus as their own funds within the FBS products.
- **Disqualification for Suspicious Activities:** The Organizer reserves the right to withhold bonus distribution and terminate a participant's involvement in the Promo if there is suspicion of fraudulent activity.
