

THE FIVE O'CLOCK TEA

Since 1898, Five O'Clock Tea has been a signature Parisian tradition by FAUCHON.

At La Madeleine, Victoria and Auguste FAUCHON opened their Grand Tea Salon, transforming this ritual into an iconic Parisian experience.

In 2026, to celebrate the Maison's 140th anniversary, FAUCHON reimagines this historic ritual around **the «BISOU» Tree**, a symbol of creativity, heritage, and excellence.

More than tea, a tradition.
The quintessential Parisian rendez-vous.
