

PRESENTS · EXCLUSIVE IN-PERSON WORKSHOP

Real-Life Private Equity Case Study.

Spend an evening with the Findos investment team — apply your knowledge to a real mid-market deal, learn how we work, and round it off with food and drinks in a relaxed setting.

WHAT YOU'LL DO

Active across Europe

The Case

Step into the shoes of a private equity investor. Following a brief introduction to Findos and the European mid-market, you will dive into a hands-on target analysis in small teams. You will evaluate the business model, discuss valuation considerations, identify key risks, and present your investment thesis live to our team.

The People

Private equity is a people business. Once we wrap up the case work, we invite you to stay for dinner and drinks with the Findos team. This is a great opportunity to ask your questions in a relaxed setting, hear first-hand stories about life as an investor, and start building your network in the industry.

OPEN TO ALL MUNICH STUDENTS

TU Investment Club members and non-members alike — anyone with a genuine interest in private equity, M&A or the mid-market is warmly invited.

How to Apply

Apply via the TU Investment Club website — send your CV and a short motivational letter (max. 250 words) telling us why you want to join. Spots are limited; we curate the group carefully to keep the conversations sharp.
