

Dear Supplier,

At Crystal Creek Homes, we deeply value our partnership with you and are always looking for ways to enhance our collaboration; that's why we're excited to introduce our Early Payment Program in partnership with Quickly.

This program allows you to receive payment immediately on any Crystal Creek Homes approved invoices, offering several key benefits:

- Improved Cash Flow: Access payments faster with a low daily rate.
- Streamlined Process: Eliminate paperwork, emails, and phone calls with real-time access to your invoices.
- Transparency: Securely view approved invoices and payment dates online.
- Fast Payments: Receive payments directly to your bank account within hours after approval

Participation in the Early Payment Program is entirely optional. You can choose the payment timing that best suits your business needs.

You'll soon receive an email invitation to join the Quickly platform at no upfront cost. The platform is free to use, and you can receive early payment on your invoices in exchange for a small variable fee.

The Quickly team will be available to provide full support, helping you get started and activate your account whenever you're ready.

Thank you for your ongoing support and partnership.

Best regards,

Justin Bobier
