Dear Supplier,

At **Metal Pros, LLC**, we deeply value our partnership with you and are always looking for ways to improve how we work together. That's why we're excited to introduce our Early Payment Program in partnership with **Quickly.**

This program gives you the flexibility to receive payment on any **Metal Pros** approved invoices, offering several key benefits:

- **Easy Access to Invoices:** Quickly gives you full transparency into all approved invoices and their expected payment dates. You're always in control and can decide to request early payment only when it's right for you.
- **Dynamic, Flexible Fees:** The fee for early payment is not a flat rate. Instead, it's a dynamic daily rate that decreases as the payment date approaches, giving you the flexibility to choose when you want to request early payments.
- **No Obligation:** Signing up for Quickly doesn't mean you have to take early payments. You'll have the visibility into all your approved invoices and can choose to request at any time that suits your business needs.
- **Fast Payments via Direct Deposit:** Once you decide to request an early payment, the funds are directly deposited into your bank account within hours.

You'll soon receive an invitation to join the Quickly platform. The platform is completely **free to use**, and you have the flexibility to request early payment when it makes sense for you.

The Quickly team is here to assist you every step of the way, ensuring a seamless setup and activation whenever you are ready.

Thank you for your ongoing support and partnership.

Best regards,
