

TrueFrame™ Joist Spans

TRUEFRAME JOISTS—
BUILT FOR PROS

The no-nonsense choice for pros who demand precision.

**PROWOOD XP**

ProWoodXP features MCA preservative with a proprietary additive designed to deliver greater stability—keeping boards straighter for longer.

**REDWOOD TONE**

Color-infused with redwood-tone colorant for lasting good looks.

**KDAT**

Kiln-dried after treatment, making boards lighter, easier to transport, handle, and cut, saving contractors time on the job.

**UC4A**

Treated to meet UC4A Ground Contact standards, ensuring unmatched durability and long-term performance where it matters most.

**BACKED FOR LIFE**

ProWood Lumber is backed with an industry-leading lifetime limited warranty.

Dry Use - 40 PSF Live Load + 10 PSF Dead Load

Minimum Code (L/360)

Nominal	#2 Grade SYP Max Span			TrueFrame Joist Max Span		
	Actual	12" OC	16" OC	Actual	12" OC	16" OC
2x8	1½" x 7¼"	13'-5"	11'-9"	1½" x 7"	13'-6"	12'-4"
2x10	1½" x 9¼"	16'-2"	14'-0"	1½" x 9"	17'-5"	15'-7"
2x12	1½" x 11¼"	19'-0"	16'-6"	1½" x 11"	21'-3"	18'-7"

Increased Performance (L/480)
